**CHANCE**

A photograph of a paved road winding through a dense forest. The sun is low on the horizon, creating a strong lens flare and illuminating the misty air with golden light. The trees are tall and dark, with some foliage visible on the right side of the road.

I Saw Today's Newspaper

Ohh!!! This is ME...

Alexander Rodriguez (1966-2008)

Dying so young. What a disaster...

I shouted having a glance on my snap in  
today's newspaper

What the hell it is doing in the  
**Death Column?**

One Sec...  
Let me **Think!**

When I was going to bed, Last Night

My Boss will  
get a chance  
to irritate me

But.. Where is Everyone?

I Think There is a Crowd outside my Room.  
But Why Some of them Crying

I Looked inside the Room

I Was Lying on the Floor

I Was Shocked

Hey listen...  
I am here with you.

*I Shouted*

Nobody was Looking at me  
They were watching my body  
Lying on the floor

AM I DEAD?

I asked myself

Where is my Wife, My  
Children, My Friends?

She  
Was  
Crying

I Saw my Wife in Next Room

She was  
Looking  
Very  
SAD

My little kid was also *crying* because her Mom was SAD

A person wearing a bright orange jacket is riding a bicycle away from the camera down a dirt path in a forest. The path is flanked by tall, thin trees, and sunlight filters through the canopy above. The scene is peaceful and scenic.

How Can I Go Without  
Saying My Wife that  
She was the most Beautiful  
and Caring Wife in this  
World.

How Can I Go  
Without Saying  
My Kid  
that  
I Really Love Them  
I Really do Care  
For them!

A photograph of a misty forest path. Tall, slender trees line the left side of the path, their trunks dark and vertical. The ground is covered in fallen leaves and dappled with sunlight. In the distance, two small figures are walking away on the path. The overall atmosphere is quiet and somewhat somber.

How Can I Go Without Saying My  
Friends that

Without them perhaps, I have done  
Most of the wrong things in  
My Life

Oh! The Guy there was used to be my Best Friend

Small Misunderstanding made us apart

I just want to say him  
SORRY

It seems no one is  
able to see me

Am I Really DEAD?

I asked myself

I sat  
Down  
Near  
ME.  
I was  
also  
feeling  
like  
crying

I prayed..

I Saw My Wife entered the Room

I Wanted to Tell her that...

To the world you might be one  
**person,**

but to one person you might be the  
**world.**

GOD

Ohh  
God

I Screamed

A Little More Time  
PLEASEEEEEEEEEEE!

One More Chance to  
Hug My Child

One More Chance  
To Thank My Wife for  
Still Being There in my life

I Shouted..

God, One More Chance  
Please...

"You Shouted in Sleep" My Wife  
Said.....

"Did you have a Nightmare?"

Oh! Thank God, it was just a DREAM.  
I was sleeping

I hugged her and whispered..  
"You are the Most Beautiful and Caring Wife in this Universe,  
I really Love You".

I Prayed..

Thank you God For This Second Chance
